

THE COLONY COLLECTION

LAUREL MOUNTAIN WHIRLPOOLS

HYDROTHERAPY BACK MASSAGE SYSTEM

A long awaited addition to the extensive array of optional upgrades to your new Laurel Mountain Colony Collection Whirlpool.

Eight powerful micro jets are specially located along the lumbar area from the shoulder blades to the lower back. This package comes standard with a powerful 3/4 horsepower motor and can be operated independently or in addition to the 2 horsepower standard whirlpool system. You adjust the air/water mix and the speed at which these jets alternate up and down your lumbar region, like the magic fingers of a trained masseuse.

Option Features:

- ▶ 3/4 horsepower motor operated Hydrotherapy Back Massage System and a 2 horsepower motor operates the standard whirlpool package when ordered with the whirlpool.
- ▶ 8 micro jets, available in white, bone, grey, chrome or brass
- ▶ Diverter valve, plus special air control, allows for control of back jets' bubble action and sequence speed
- ▶ Can be ordered with many other popular options including neck jet massage pillow, heater, rotary jets, etc.
